What is a Hobby?

What is Amateurity?

Who are these people?

People who are most interested in doing other than lame - assembly line work

- 1 "Hobbyists"
- 2 "Amateurists"

Aren't both the SAME ?

They are Similar but not the Same

Philosophy ???

Yes !. Believe it !. They pragmatize philosophy than any other men working under Authority !

No Subjugation in any form

Independency

- Financial
- Independence through Self Defense

- Idea/Concept Level
- Design Level & Implementation Level

Mutual Sharing

- Sharing is the impetus of Communication
- Must be Distributed and Meshed

- Flat - Grass root Contribution
- Everybody is Authority or Nobody is Authority

- Not invented – Only Discovered & Shared
- Human ideation is itself a Natural activity

- Love with Art & Technology simultaneously
- Expression results in Unique Craftsmen "Touch"

Culture ???

Why must we seriously talk about them?

What are their Societal Impact?

What are their Economic Impact?

What are their Political Impact?

What are their Ecological Impact?

What are the Possible Amateur Hobbies?

- ① Explanatory
- ② Exploratory
 - Amateur Meteorology
 - Amateur Telescopy
 - Amateur Microscopy
 - Amateur Spectroscopy
 - Amateur Radio
 - Amateur Astronomy
